

# WAITRESS

## **I Didn't Plan It**

Go ahead  
Throw your rocks at me  
From your little glass house  
And then take off running  
You're no better than me  
We've both made mistakes, haven't we?  
I won't undo what I'm doing  
Sit in judgment of what makes us human  
I don't claim to be proud  
But my head won't be hung in shame  
I didn't plan it  
But the light turned red, and I ran it  
And I'm still standing  
It's not what I wanted, but now that it's right  
here  
I understand it  
A story written by my own hand, it's  
life biting right at your heels  
I didn't plan it  
But it's finally something to feel  
Oh, I

## **When He Sees Me**

I stick with real things  
Usually facts and figures  
When information's in its place  
I minimize the guessing game  
Guess what? (What?)  
I don't like guessing games  
Or when I feel things  
Before I know the feelings  
How am I supposed to operate  
If I'm just tossed around by fate?  
Like on an unexpected date?  
With a stranger who might talk too fast  
Or ask me questions about myself  
Before I've decided that  
He can ask me questions about myself  
He might sit too close  
Or call the waiter by his first name  
Or eat Oreos  
But eat the cookie before the cream  
But what scares me the most  
What scares me the most  
Is what if when he sees me, what if he doesn't  
like it?  
What if he runs the other way and I can't hide  
from it? (Ah)  
What happens then? (Ah)  
If when he knows me, he's only disappointed?

What if I give myself away, to only get it given  
back? (Ah)  
I couldn't live with that (how do you live with  
that?)

## **She Used To Be Mine**

It's not what I asked for  
Sometimes life just slips in through a back door  
And carves out a person  
And makes you believe it's all true  
And now I've got you  
And you're not what I asked for  
If I'm honest I know I would give it all back  
For a chance to start over  
And rewrite an ending or two  
For the girl that I knew  
Who be reckless just enough  
Who can hurt but  
Who learns how to toughen up when she's  
bruised  
And gets used by a man who can't love  
And then she'll get stuck and be scared  
Of the life that's inside her  
Growing stronger each day  
'Til it finally reminds her  
To fight just a little  
To bring back the fire in her eyes  
That's been gone but it used to be mine

## **Never Getting Rid Of Me**

Dawn  
I will never let you let me leave  
I promise I'm not lying  
Go ahead ask anybody who has seen me trying  
I'm not going, if it seems like I did  
I'm probably waiting outside  
Such a stubborn man you'll likely never meet  
another  
When we have our family dinner you can ask my  
mother  
She's the best, you'll learn more about her on  
our family history test  
I'm gonna do this right  
Show you I'm not moving  
Wherever you go, I won't be far to follow  
Oh, I'm gonna love you so  
You'll learn what I already know  
I love you means you're never, ever, ever getting  
rid of me  
You can try, oh, but I  
I love you means you're never, ever, ever getting  
rid of me
